2006 Melbourne Commonwealth Games Future Athletes Program

BADMINTON CLINIC APPLICATION FORM

ABOUT THE PROGRAM

The 'Future Athletes Program' is an initiative of the Victorian Government designed to introduce secondary school age students competing in representative school events to a wider developmental pathway in their sport. During 2005 the Victorian Institute of Sport, in conjunction with the 16 Commonwealth Games sports associations, will conduct sport specific clinics providing:

- Technical Tips from leading Coaches
- Training advice from a State or National representative Athlete
- Valuable information on Sports Nutrition, Training and Injury Prevention
- Skill Practice and Assessment
- Information on how to take the 'next step' in sporting development

Clinics are scheduled from 10:00am until 3:30pm, and are free of charge to participants.

ELIGIBILITY and SELECTION to ATTEND a BADMINTON CLINIC

All Victorian Secondary School students who meet the selection criteria may enrol in a Badminton clinic. Selection criteria have been developed in consultation with Badminton Victoria to assist athletes in taking the 'next step' in their sporting development. A minimum age requirement has been set for athletes who wish to take part in a Badminton Clinic. Clinic places are limited and applications will be accepted only until each clinic is full. Applications can close early should sufficient applications be received.

To be eligible to attend a 'Future Athlete' Badminton Clinic:

- Students must submit a signed application form to the VIS prior to the scheduled clinic.
- Applicants must be at least 11 years of age and currently enrolled in a Victorian Secondary School (both government and non-government school students are eligible).
- Any student with an interest in the sport of Badminton is encouraged to apply, including athletes with a disability.
- Students should have an average level of fitness and be familiar with racquet sports.
- Students may attend only one 'Future Athletes Program' sports clinic.
