

## 2006 Melbourne Commonwealth Games Future Athletes Program

### BASKETBALL CLINIC APPLICATION FORM

#### ABOUT THE PROGRAM

The 'Future Athletes Program' is an initiative of the Victorian Government designed to introduce secondary school age students competing in representative school events to a wider developmental pathway in their sport. During 2005 the Victorian Institute of Sport, in conjunction with the 16 Commonwealth Games sports associations, will conduct sport specific clinics providing:

- Technical tips from leading coaches
- Training advice from a State or National representative athlete
- Valuable information on Sports Nutrition, Training and Injury Prevention
- Skill practice and assessment
- Information on how to take the 'next step' in sporting development

**Clinics are scheduled from 10:00am until 3:30pm, and are free of charge to participants.**

#### ELIGIBILITY and SELECTION to ATTEND a BASKETBALL CLINIC

All Victorian Secondary School students who meet the selection criteria may enrol in a Basketball clinic. Selection criteria have been developed in consultation with Basketball Victoria to assist athletes in taking the 'next step' in their sporting development. Clinic places are limited and applications will be accepted only until each clinic is full. Applications can close early should sufficient applications be received.

To be eligible to attend a basketball clinic:

- Students must submit a signed application form to the VIS prior to the scheduled clinic.
- Applicants must be born in 1990, 1991 or 1992.
- Applicants must not be currently playing in the Metropolitan VJBL Representative Competitions (commonly known as "Friday night basketball") or Country Victorian Championships.
- Applicants must have had competitive basketball experience at a domestic club level or secondary school competition level.
- Athletes with a disability are encouraged to apply.
- Students may attend only one 'Future Athletes Program' sports clinic.
- Students who attend a Future Athletes Program clinic and subsequently are invited to attend Basketball Victoria programs must be willing to make a time commitment to further basketball development.
