

## 2006 Melbourne Commonwealth Games

### FUTURE ATHLETES PROGRAM HOCKEY CLINIC APPLICATION FORM

#### ABOUT THE PROGRAM

The 'Future Athletes Program' is an initiative of the Victorian Government designed to introduce secondary school age students competing in representative school events to a wider developmental pathway in their sport. During 2005 the Victorian Institute of Sport, in conjunction with State Sporting Associations representing 16 Commonwealth Games sports, will conduct sport specific clinics providing:

- Technical tips from leading Coaches
- Training advice from a State or National representative athlete
- Valuable information on Sports Nutrition, Training and Injury Prevention
- Skill practice and assessment
- Information on how to take the 'next step' in sporting development

**Clinics will run from 10:00am until 3:30pm and are free of charge to participants.**

#### ELIGIBILITY and SELECTION to ATTEND a HOCKEY CLINIC

All Victorian secondary school students may apply to attend one of the clinics within the established selection criteria. Criteria have been developed in consultation with Hockey Victoria to identify athletes having potential to take the next step into higher levels of competition. An age limit has been included in the selection criteria. Clinic places are limited and applications will be accepted only until each clinic is full. Applications can close early should sufficient applications be received.

To be eligible to attend a hockey clinic:

- Applicants must submit a signed application form to the VIS 7 working days prior to the scheduled clinic.
- Applicants must be a member of a school representative Hockey team (Junior - Years 7 & 8, or Intermediate - Years 9 & 10)
- Applicants for metropolitan Melbourne clinics should not be a current registered member of a Hockey Victoria affiliated Hockey club. Applicants for regional clinics should not be a current member of the Vic Stix representative program in 2005.
- Athletes invited to attend further Hockey Victoria screening or selection programs must be willing to progress to the next level of development.
- Students may attend only one 'Future Athletes Program' sports clinic during the school year.
