

## 2006 Melbourne Commonwealth Games Future Athletes Program

### TABLE TENNIS CLINIC APPLICATION FORM

#### ABOUT THE PROGRAM

The 'Future Athletes Program' is an initiative of the Victorian Government designed to introduce secondary school age students competing in representative school events to a wider developmental pathway in their sport. During 2005 the Victorian Institute of Sport, in conjunction with the 16 Commonwealth Games sports associations, will conduct sport specific clinics providing:

- Technical Tips from leading Coaches
- Training advice from a State or National representative Athlete
- Valuable information on Sports Nutrition, Training and Injury Prevention
- Skill Practice and Assessment
- Information on how to take the 'next step' in sporting development

**Clinics are scheduled from 10:00am until 3:30pm, and are free of charge to participants.**

#### ELIGIBILITY and SELECTION to ATTEND a TABLE TENNIS CLINIC

All Victorian Secondary School students who meet the selection criteria may enrol in a Table Tennis clinic. Selection criteria have been developed in consultation with Table Tennis Victoria to assist athletes in taking the 'next step' in their sporting development. Clinic places are limited and applications will be accepted only until each clinic is full. Applications can close early should sufficient applications be received.

To be eligible to attend a Table Tennis clinic:

- Students must submit a signed application form to the VIS prior to the scheduled clinic.
- Players who regularly play in Table Tennis Victoria tournaments are ineligible to participate.
- Athletes with a disability are encouraged to apply.
- Students may attend only one 'Future Athletes Program' sports clinic.
- Students who attend a Future Athletes Program clinic and subsequently are invited to attend Table Tennis Victoria programs must be willing to make a time commitment to further table tennis development.
